Truckee Wins 12-1 In Lovelock Game As Season Opens

Mountaineers Will Travel To Fallon Sunday; Play First Home Game June 1

Truckee's Mountaineers started their career in the Sierra-Nevada Baseball League at Lovelock Sunday and served notice they will be strong contenders for the penant when they defeated the Merchants 12 to 1.

Timely extra base hits by Catcher Oates and Third baseman Cluck, contributed to Truckee's fireworks Dick Martin, veteran manager and pitcher for Lovelock did his share when he struck out nine batters, but this could not stem the tide of the Mountaineers. Oates and Cluck hit home runs.

Truckee got ten hits, four errors, with Louis Goicoa striking out six batters and using his smoke ball effectively.

Manager Al Wakefield expressed himself as well pleased with the local team and promised some real hot contests during the balance of the season. Next Sunday the Truckee boys travel to Fallon to meet the Merchants and the following Sunday meet the Fallon Desert Admirals nine on the local field.

With three-high school boys in the infield, Graig Robinson, L. J. Robinson and Floyd Cooper, the team showed up beautfully in fast fielding plays. Others playing for the Mountaineers were Garcia, Cluck, Frates, Muldinado, Bell, Campbell, Kunkel and Oates. Manager Wakefield and Coach Les Davidson confined themselves to the sidelines.

The score:

	r	h	e
Lovelock	1	4	3
Truckee	12	11	4

Oates and Cluck; Martin, Poncho and Laca.

Four Accidents On Highway Reported

A series of four motor vehicle accidents during the past week resulted in injuries to half a dozen people, the California Highway Patrol reported.

Roy S. Rhoades, the third, son of Rev. and Mrs. Roy S. Rhoades of Truckee, was rushed to the Tahoe Forest Hospital Saturday afternoon after he was struck while riding a bicycle along Route 89, two miles south of the Truckee Wye.

The driver of the car, Larry K. Reid, 16, of Truckee, told investigating officers that he was following a vehicle north on the highway when the front car slowed suddenly, unable to stop, Reid swerved to the right and did not see the Rhoades boy in time to avoid the mishap. After treatment, the boy was removed to his home. Reid was cited for following too closely.

William J. Meachum, 44, Athens, Ga., suffered injuries to one foot in a truck accident on Donner grade last week. Meachum told officers he had parked the truck to shift gears and the mechanism stuck. He got out to place blocks under the wheels, buut the heavy truck rolled ahead and one of the driver's feet was crushed. The truck and cargo went off the grade.

Lloyd L. Britt, Sacramento, suffered minor injuries when his car plunged off the road five miles east of Truckee Friday night and fell into a form being built by contractors working at the twin bridges near Boca.

Jerieal Williams, Berkeley was cited for speed when his car crashed through a guard railing at Hirschdale Saturday evening. Taken to the Tahoe Forest Hospital with injuries were O. Hawthorne, 36, Oakland and Willie Fitch, 24, Oakland. Neither was seriously injured.

Tony L. Costazo, 75, Oakland, was injured last week when his car hit a pole 2 miles west of Truckee. He was cited for speeding.

RABIES CLINIC WILL BE HELD JUNE 13-14

A rabies vaccination clinic for the Truckee Lake Tahoe area will be held at the Dr. Stuart Dingwall veterinary hospital on the Truckee river north of Tahoe City Friday and Saturday, June 13 and 14. The clinic will be held between the hours of 8 a.m. and 5 p.m. on both dates.

Because of the frequency of rabies among animals in the county, all dog and cat owners are urged by the Placer County Health Department to have their animals vaccinated.

Fifth Child Arrives For Dr. and Mrs. Ben King

Dr. and Mrs. Ben L. King became parents of their third son and fifth child, May 14 at Reno. The infant weighed 8 pounds, 2 ounces upon arrival and has been given the name of George Randolph.

PTA TO SELL CAKES

Mrs. Roy Saarni was reminding the public this week that the Truckee Elementary school P.T.A. will hold a cakes and cookies sale, May 30 at Z Market.

Fair to Good Mark Opening Day Of Trout Season Here

Despite the unusually high water, the trout fishing season in this district opened Saturday with better results than had been expected.

With the exception of the high water, conditions were ideal. The weather was on its best behavior and the fish were apparently willing to cooperate.

The local experts reported good limits and even some of the amateurs came home with good catches Among the former were Roy Waters, Bob Seibold, Nat Quilici, Orlan Waters and Tony Ghirard. The latter caught two limits in two days off the shore at Boca, the others fishing the Truckee River.

In the meantime, fishing at Donner and Tahoe is improving many excellent catches were recorded both from boats and the shore.

Game Warden Erwin Single said he checked the fishermen at Boca reservoir and found they all doing good.

With high water continuing, fly fishing in the streams will be retarded this year, but the lowly bait is being used with good results.

Changes In School Faculty Revealed

Resignations were accepted from eight teachers in the Tahoe Truckee Unified School District and seven were employed at the meeting of the governing board here last week.

Those who have resigned are:

Mrs. Solveig Beavers, teacher, Tahoe Lake School;

Charles Redd, teacher, Tahoe-Truckee High School;

Orlon Siewert, teaching-principal Donner Trail School;

Mrs. Gloria Read, teacher, Donner Trail School;

Stephen Marvin, teacher, Tahoe-Truckee High School;

Mrs. Helen Trask, teacher, Truckee Elementary School;

Mrs. Patricia Butterfield, teacher, Truckee Elementary School;

Donald Trask, teacher, Tahoe-Truckee High School.

Those employed included: James Simmons of Central Valley and Kings Beach, to Donner Trail; Mrs. Marcie Henke, Tahoe City, to Tahoe Lake; Mrs. Gladys Putynkowski, Oliverhurst and Kings Beach, to Kings Beach; Mrs. Winifred Scott, Burbank, to Truckee elementary; Mrs. Edna Hales, Truckee, to Truckee elementary; Carl Jude, Mill Valley, and Joor Boles, Palo Alto, to Tahoe-Truckee high school.

The salary committee of the Tahoe-Truckee Educational Association presented a revived schedule and policy and after a lengthy discussion the matter was tabled for further consideration.

The non-certified employees presented a request for a salary adjustment and this too was held in abeyance pending further study.

OFFICIALS VISIT AT GIRL SCOUT SESSION

Special guests last Tuesday at the Truckee Neighborhood Sierra Nevada Girl Scout Council family pot luck dinner held in the high school were Mrs. Stewart Walters, president of the council and Mrs. Claudia Williams, first vice president, both of Reno.

The program was given by the members of the Girl Scouts and Brownie Troops.

A film on the Brownie Day camp and a meeting of the mothers of the group was held afterward to discuss a camp in this area.

GOLFERS WILL MEET AT TAHOE MAY 26

The second meeting of the recently organized Lake Tahoe Golf Club will be held Tuesday evening, May 26, at the Tahoe City Club House at 8 a.m.

All members and others interested in the organization are invited to attend.

Discussions will center around plans for the current season and golfers from the Truckee and Lake Tahoe district will attend. Steve Korich will preside over the meeting.

Soldier Drowns In Boca; Body Found By Young Diver

Cold Water Claims Life Of Young Stead Air Force Man On Sunday

The body of David Allen, 20, Stead Air Force airman, was recovered from 15 feet of water in Boca reservoir Monday afternoon at 1:10 o'clock by a 15 year old skin diver, a member of the Nevada Desert Divers of Reno.

Allen drowned Sunday afternoon while swimming in the north-west area of the reservoir in the ice cold water. A companion, Mike Rose, also of Stead, said his friend apparently suffered cramps or became exhausted in the water and went down approximately 25 feet from the shore.

The dead boy's home address was Oak Grove Farms, Afton, Virginia. He and Rose had been taken on an outing by friends from Reno and were picnicking at Boca.

Scores of volunteers assisted Deputies Sheriff Roy Waters, Emery Lander and Roger Johns, Coroner others in the search for the body Alvah Hooper state patrolmen and Lander said the cooperation was most gratifying. Grappling hooks were used and the body located but lost Monday morning, but the temporary location, gave searchers a clue and shortly thereafter Phil Buttolth, the young skin diver made the discovery and volunteers brought the body to shore.

The body was removed to Reno by an ambulance from Stead Air Force Base.

Eisenhower Signs Olympic Fund Bill

President Eisenhower has signed a congressional bill appropriating $3,500,000 for construction of a 11,000-seat ice arena for the 1960 Olympic Winter Games at Squaw Valley.

Robert L. King, the executive director of the organizing committee, telephoned word of the president's action from Washington, D. C.

The appropriation assures federal support and participation in the Winter Olympics.

The Games will be held at Squaw Valley, February 18-28, 1960.

The ice arena will be erected in the name of the federal government on land owned by the U. S. Forest Service under lease to the State of California. The arena will be the central theme building of the games, and the locale of opening and closing ceremonies and of major ice hockey and figure skating competitions. Construction of the arena will begin immediately.

The ice arena will be added to a $8,000,000 complex of permanent buildings being constructed at Squaw Valley by the state. After the games the ice arena and state-built facilities will be operated as part of the California State Park System.

It is expected that next year the department of defense will make available another $500,000 which will permit use of ski troops and other specialists, and make available equipment for communications, avalanche control and other safety services.

SUNBEAMS

By WALTER M. BARRETT

It was indeed unfortunate that more parents and friends of the students did not turn out last Friday evening to enjoy the annual Spring Music Festival at the high school. The director and students worked long and hard to present a really enjoyable program and the attendance was disappointingly small but appreciative. Events of this nature are few and far between and yet should add so much to community enjoyment. We believe they are worthy of far more attention than has been given them in the past and should provide for a need in the district.

We hope that the apparent lack of interest in the school election Tuesday does not carry over to the primaries on June 3. Throughout the district the voting was light, with only a few more than 100 participating in Truckee where some 800 are eligible. This is not a good showing and we hope that the condition can be improved at the primary. There are several important issues at stake and everyone should certainly do their part to settle them.

Games Dates Set; Bob Sledding Out

A press dispatch from Tokyo says International Olympic Committee Chairman Avery Brundage announced that the 1960 winter games at Squaw Valley will be held from February 18 to 28.

Brundage made the announcement after the close of the first session of the committee. The date for the winter games originally had been February 12 to 22.

Brundage also announced that the committee had voted to omit bobsled events from the 1960 games.

The change in dates, Brundage said, was made because some committee members thought that the original dates were too early.

He said the bobsled events were omitted because there were too few entries in comparison with the expense to provide facilities for the events.

He said that $750,000 would be needed for the facilities while only five nations had entered the events.

Although 12 had promised to participate in the bobsled events, he said, only the United States, Switzerland, Germany, Italy and France had confirmed that they would take part.

TRUCKEE WATER IS FOUND TO BE PURE AS TESTS ARE MADE

Truckee has pure drinking water.

With all the publicity accompanying the testing of hydrogen bombs in the Pacific and the reports of finding radioactive particles in water along the coast, Richard Walker, local area sanitarian sent water from local systems into the state laboratories for analysis.

The sample were taken from the Truckee Public Utility District system and the Donner Lake PUD for testing.

"We are happy to report there are no radioactive particles, other than would normally be there," Walker said. "There was no evidence of foreign particles such as would come from atomic fallout."

TELEPHONES OUT AS DIGGER CUTS CABLE

Most of the telephones in Truckee were out of order Tuesday shortly afternoon when a tractor operating on the hill above town cut a cable. Telephone crews were immediately on the job and had the damage repaired in short order.

Aaron Thomases Have Son Born At Hospital

Mr. and Mrs. Aaron Thomas, greeted their second child, a boy at Tahoe Forest Hospital May 16.

The lad weighed 7 pounds, 11½ ounces upon arrival and has been named James Matthew Aaron.

Hilda Hintz Wins By Large Score In School Election

Change On School Board As Truckee Matron Wins Over Two Men

Mrs. Hilda Hintz, active in club work and past matron of Truckee Chapter of the Order of Eastern Star, was elected by a large majority over her two opponents for the position on the governing board of the Tahoe Truckee Unifiied School District.

In Tuesday's election, Mrs. Hintz received 142 votes, the incumbent, Fred Pedley of Truckee received 74 and John Palmer of North Tahoe received 50 votes.

Harold M. Welch, unopposed incumbent on the Sierra College board, received 202 complimentary votes.

The unofficial count showed the following results:

Truckee: Hintz, 74; Pedley, 33; Palmer, 8

Floriston: Hintz, 15; Pedley, 5; Palmer, 1.

Tahoe City: Hintz, 21; Pedley, 18; Palmer, 28.

Kings Beach: Hintz, 10; Pedley, 18; Palmer, 13.

Donner: Hintz, 22; Pedley,0; Palmer, 0.

Hearing June 3rd On Sewer Project

John J. McGlade, clerk of the Truckee Sanitary District governing board, announced this week that a public hearing will be held Tuesday, June 3 at 7 p.m. at the justice court office to hear any protests to establishment of a sewer system to serve the Gateway Park area.

The board of directors recently passed a resolution of intention to award a contract to install the sewer system at a cost estimated at $40,357.89.

Bonds will be issued to be retired in nine years, or at the option of the property owner, a cash payment can be made at the time the work is done. It is the desire of the board to have the project completed this summer to avoid a possible contamination condition in the fast growing residental area.

Only those property owners to be benefited from the installation will be charged with the improvement, McGlade said.

DANCERS FEATURE AUXILIARY MEETING

The monthly meetings of the ladies auxiliary of the Donner Lake Fire Department was highlighted by several hula dances performed by Miss Renee Hall and a group of her dance students. Among the small performers were Dianna Fair, Sandy Davis, Carrol Sauby and Linda Russell.

Miss Hall presented a clever routine using feathered gourds, titled "Kona Hana," as well as several other Hawaiian dances. Miss Hall has started two dance groups and is planning a third to begin at the close of school.

Business of the evening included a discussion of plans for the forthcoming speed boat races, barbecue and other events to be sponsored by the firemen and the auxiliary.

CATCHABLE TROUT PLANTED LOCALLY

Games Warden Erwin Single reports the catchable fish planting program is well underway in this area and this week 6,000 Rainbow trout were planted. Of the total 5,000 went in to Donner Lake to bring the total there to 15,000 this year. Another 500 went into Donner creek and another 500 into Prosser.

Because of high water, none have been planted thus far in the Truckee river, but other streams are receiving their quotas, Single said.

Donald Proutys Welcome Daughter At Hospital

Mr. and Mrs. Donald Prouty of Kings Beach welcomed their daughter, born at Tahoe Forest Hospital May 14.

The little girl, named Lynda, weighed a plump 8 pounds 6 ounces when she arrived.

Improving—

Rex Reid is feeling better and is at home after spending two days at Tahoe Forest Hospital last week.

First Camper Fire Serves As Warning In Truckee District

The season's first camper fire was discovered near the west shore of Boca Reservoir last Monday by Ralph Bretthauer and Bob Adams of Truckee.

The campfire was carelessly built next to a rotten log on Sunday. It smouldered all night in the log duff but burst into flame Monday and was burning briskly in valuable deer browse and young pine when discovered by the two Truckee fishermen. Bretthauer drove to Pabst's cabin at Boca Dam and reported the fire to the Truckee Ranger Station while Adams threw dirt on the advancing fire. Aided by this excellent cooperation the Truckee fire crew was able to hold the fire to one-half acre.

All campers and fishermen are requested to take extreme precautions from now on with cigarettes and any type of open fire. The woods have dried rapidly the last two weeks and a major fire is now possible. Campfire permits are required on all National Forest lands.

New Ranger Aide Arrives In Truckee

Norman C. Anderson arrived last Monday to take up duties as assistant ranger on the Truckee Ranger District. Anderson replaces Donald A. Renton who was recently transferred to the Bogard District of the Lassen National Forest.

Anderson received his forestry training at the University of Minnesota, graduating in 1954. His last assignment was on the Lassen National Forest where he specialized in timber sales administration, timber stand improvement, and various engineering projects.

Anderson, his wife Lois, and their four children, Melanie age 6, Shelley age 4, Thomas age 3, and Carrie age 2 are very pleased with their new assignment and home at the ranger station. Norman's background in timber work and his interest in winter sports will make him a valuable addition to the Truckee district.

WELCH'S VOTE STOPS SIERRA PAY BOOSTS

The governing board of Sierra College last week rejected, by a vote of 3 to 2, a request of the faculty for a $600 a year across the board salary increase.

Harold M. Welch, representing the Tahoe Truckee district on the board, cast the deciding vote against the raise when the voting stood two to two.

The raise would have cost the district $22,000 more a year. The board deferred until its next meeting a proposed increase for the administrative staff.

The board is considering a $558,000 budget for the coming fiscal year.

SLAVE DAY PLANNED BY RAINBOW GIRLS

Slave Day will again be observed by Hope Assembly No. 18, Order of Rainbow for Girls, May 30 when members of the order will wash cars at the Gateway Park Chevron Station. A cake sale will be combined with the annual fund raising stint, according to Janice Notley.

Those wishing further information on the project may call Janice Gray, LU 7-3289.

SUCCESSFUL MISSION IS ENDED BY CHURCH

Father Fred McClary, internationally known speaker, has completed two weeks of missionary work in the Catholic churches here and at Tahoe City. Father P. J. O'Neill, local pastor, said the mission was successful beyond expectation and that capacity audiences heard Father McClary at the services twice each day during the two weeks.

SPRING THAW DANCE TOMORROW NIGHT

Attention is being called to the "Spring Thaw" dance and buffet, planned for 9 o'clock to-morrow evening in Donner Lake Lodge.

The affair is being given by the Truckee Co-operative Nursery school for the benefit of the nursery school program for the coming year.

Ulland Held Under Observation For Murder Of Wife

Former Truckee Woman Dies From Bullet Wound In Oakland Home

Mental derangement was held by investigating officers as the only apparent reason why Sigurd Ulland, 49, shot and killed his wife, Catherine (Rossarini) Ulland, 54, in their new $100,000 Oakland home last Thursday night.

Ulland. who is being held on a murder charge, has been removed to a cell in the psychiatric ward of the Alameda County Hospital. He is said to not recognize friends, even his brother, Olaf, who came from Seattle upon learning of the tragedy.

According to newspaper reports from the bay city, Ulland had been under examinations in a hospital for four days prior to Thursday, but physicians were unable to find anything wrong and recommended psychiatric treatment and prescribed a sedative.

When his wife, a former well known Truckee resident, and the latter's sister, Mrs. Edith Guthridge, urged him to take the medicine, he apparently thought they were attempting to do him bodily harm and he refused vigorously.

Later, the former ski jumping champion, who had visited here only three weeks ago, left the house and went to a ski shop he operated. There, officers learned, he obtained a rifle and returned to his home. Mrs. Ulland, who sensed trouble called police and told them she feared for her life and that her husband had become violent.

When the police converged upon the home, they arrived minutes too late and discovered Mrs. Ulland's body in the bathroom of the home, a bullet through her chest. Ulland was found standing outside the bathroom near a swimming pool and admitted the killing, officers said.

Apparently Ulland had stationed himself outside the house and when his wife entered the bathroom, she could be seen through the frosted window. The shooting occured about11 p.m.

The Ullands were married here about 16 years ago while she operated a clothing store where the Toggery is currently located. They left to live in Oakland and there Mrs. Ulland entered the clothing business which she operated successfully.

A 15 year old son and Mrs. Ulland's mother and sister and an aunt, Mrs. Sam Costa of Truckee are among the survivers.

The boy, incidentally was not harmed and was found asleep by officers when they arrived at the home. They awakened him before they continued the search and found the body of his mother.

A Requiem mass for Mrs. Ulland was said at 10 a.m. Saturday at St. Louis Bertrand Church in Oakland. Entombment was in the Holy Sepulchre cemetery.

CHARTER NIGHT IS OBSERVED BY CLUB

Thirty-nine members and guests attending the Charter Night program of the Truckee Rotary Club Monday night May 19, enjoyed the talk given by Miss Faye Fotos, a Reno teacher who had spent a year traveling in Greece as a Rotary foundation student.

Miss Fotos was introduced by Hal Welch and her talk was both enlightening and humorous as she discussed some of her travel experiences. Her praise was high for the Rotary foundation in which worthy students are assisted with higher education.

Johnny Ciardella, a charter member of the club, gave a resume of the club's history since its inception in March of 1939.

Ed Grant, a former member, will provide a speaker for the May 26th meeting from Stead Air Force Base.

There will be no meeting June 2 but on June 3 a joint meeting of the Brockway, Tahoe City, Truckee, Grass Valley and Nevada City clubs will be held at Gold Cent Club between Grass Valley and Nevada City.

WYETHIA CLUB TO HOLD LUNCHEON

A one o'clock luncheon meeting May 27th at Smart's will be held by the Wyethia Club when Mrs. Elmer Brown is to be installed as president for the coming year.

Other officers to be seated are Mrs. William Randall, vice president; Mrs. Fosten Wilson, secretary; Mrs. Glenn Miller, treasurer.

Mrs. Fred Pedley, Sutter district president will be the installing officer.

A brief musical program will be heard after the ceremony. Honorary hostesses will be past presidents of the organization including Mesdames I. Firpo, Annie Tonini, Robert Bick, Frank Gaiennie, N. F. Dolley and David Rose.

From Bay—

Mr. and Mrs. E. MacDougal of San Leandro were week end guests of Mr. and Mrs. Lauren Russell.

HARRY LOYND GIVEN HONOR ON BIRTHDAY

"This is the Life" is the title of a booklet produced by fellow officials of Parke, Davis & Company, to commemorate the 60th birthdate of the company's genial president, Harry J. Loynd.

The company president is a brother of E. L. and Walter A. Loynd, well known Truckee residents, and has often visited here.

The booklet shows the high esteem in which Loynd is held in classifying him as "an extraordinary man of infinite capacity for friendship, sympathy, generosity, understanding, hard work and hard liquor."

The book, a humorous story, based on fact, was prepared for the edification and enjoyment of Loynd and some of his many friends by a few of his devoted associates.

FAMOUS JUDGES OF HISTORY

NO. 3

BLACKSTONE: Sir William Blackstone: 1723-80; English Jurist, born in London, trained at Oxford and later lectured at this university; very famous as a legal scholar, his commentaries on the Laws of England added to his fame; this work deleted much of the Latin verbage, and simplified and systematized English common law, and provided a rational foundation.

His exposition had a far reaching effect in England and the Colonies, and later in the U.S.A., and his work represented a decided advance in Jurisprudence. A legally trained man, he accomplished much to settle distressing problems.

ELECT...
HOOPER

The publicity given the Tahoe area by the 1960 Olympic Games, and the immense amount of money to be spent in this area, not only for the Olympics, but highways, hydro-electric and flood control, etc., means an increasingly heavy influx of new people. To handle this heavy judicial load, calls for a vigorous trained man for Judge: one who can work with other County, State and Federal agencies.

What should one expect of a Judge? Ability, training, common sense, justice, fair play, kindly understanding of people's problems in these trying times; one to uphold the dignity of the office? If you agree with the above qualifications as essential for a good judge, then vote for Harry S. Hooper as Judge of the Tahoe Judicial District. Select your Judge as you would your doctor or lawyer—for his ability.

HARRY S. HOOPER
Legally trained for a legal job

His platform slogan is:
"EQUAL RIGHTS TO ALL, WITH JUSTICE, UNDER LAW"

Elect Harry S. Hooper, a local man who has a sympathetic understanding of local problems.

RABIES WARNING IS ISSUED BY OFFICIAL

Dr. L. D. Nelson, assisstant health officer of the Nevada County Health Department is requesting the help of all doctors and citizens of this community in the control of rabies. It has been brought to his attention that all cases of dog bite are not being reported to the health department and said all dog bite and other animal bite cases should be reported to the Health Department at once. The name of the dog's owners, location where dog may be found and discription of dog should be reported to Area Sanitarian R. L. Walker by phone at Luther 7-3423 between 8:45 and 9:30 a.m. or Luther 7-3347 after 5:30 p.m.

All animals who bite persons should be quarantined for 14 days by the owner with the supervision of the health department. In no case, if at all possible, should the animal be killed. If it is necessary to kill the animal the head should not be damaged while doing so. The head is the only part of the infected animal that can be used in laboratory examination to determine if the animal does have rabies, he explained.

Reason for quarantine is to observe the animal, and if it lives for the 14 days it is safe to presume it does not have rabies but if the animal dies in this time, treatment should be started on the person bitten while examination of the animal head is made to determine if it had rabies.

OLYMPIC OFFICIALS AT TOKYO SESSION

Prentis C. Hale, president, and Robert DiGiorgio, executive vice president of the 1960 Winter Olympics organizing committee are attending the IOC meeting in Tokyo to give a progress report on Squaw Valley, site of the games.

They will ask the IOC to set the date for the games here as February 18 through 28, 1960.

There are some 20 items on the agenda, most of them associated with the Squaw Valley games, one being the airing of complaints over the progress of facilities.

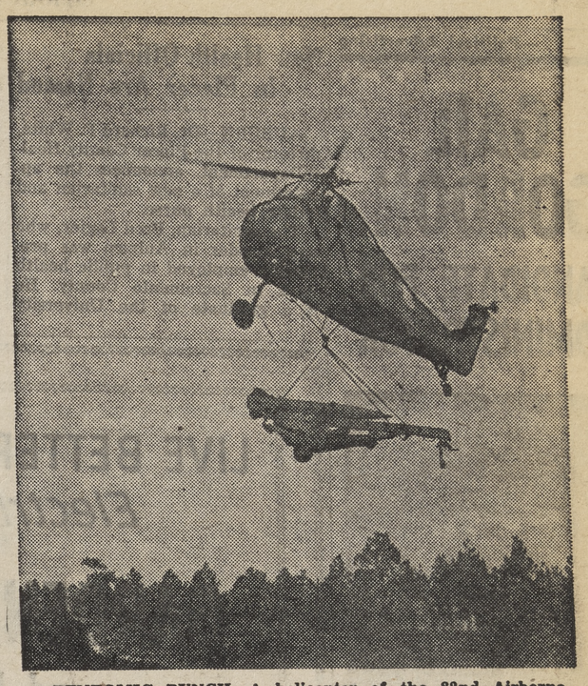
VFW AUXILIARY TO HAVE BUSY MONTH

KINGS BEACH—Thelma Liddle presided at the regular meeting of the Ladies Auxiliary of VFW Post 7077 at Crystal Bay Club May 14. Mrs. Liddle outlines activities for the auxiliary during May and June and plans for the Buddy Poppy Sale slated for May 24 were completed and members assigned by the president and Chairman Pearl Martin and Jean Cinani.

Plans were also discussed with post committee members Ray Plunkett and Walt Pope regarding the Crystal Bay Club trap shoot scheduled for June 21 and 22 and the food sale concession to be handled by the post and auxiliary.

Community Service Chairman Pearl Moore reported the final judging in the department on the community service scrap books and said Lake Tahoe was among the top four state winners.

Auxiliary members voted to contribute to the TTEA scholarship fund. Hostesses for the evening were Thelma Liddle and Louise Walters. The next meeting will be held May 28th.



PENTOMIC PUNCH—A helicopter of the 82nd Airborne Division easily moves a Little John rocket and launcher to a better firing position during field exercises at Fort Bragg, N.C. Little John is a lighter and smaller variant of the Honest John rocket, and also may carry an atomic warhead.

SPORTS FILM SHOWN AT ROTARY SESSION

TAHOE CITY—The Tahoe City Rotary Club had 28 members, two visitors and one guest at their May 13 dinner meeting at Tahoe Inn.

Ty Taylor, Grass Valley Rotarian and Roy Porath of the Brockway Club were visiting. The guest was Ernie Marier, volunteer manager of the local Little League baseball club, sponsored by the local Rotary Club. Marier said he is training 15 boys who are in need of uniforms and liability insurance. He expected to take the team on trips this summer to compete with other youthful ball clubs. The matter of uniforms and insurance was referred to the board of directors.

For entertainment, Bob Jacobs, Truckee distributor of a popular beer provided a movie film, "Sports on Parade". He also provided beer with the dinner.

Club members A. J. (Ket) Ketman and Dave Gaynor were back from winter vacations. Warren Porter presided.

Tahoe Items

Mrs. Anna Blaue came home last week from Southern California, glad to be back at Tahoe Vista, til the snow flies again.

Mr. and Mrs. Charles Sherman and son who have been at Galt, have spent the past three weeks preparing their Tahoe City property for a busy summer.

Mr. and Mrs. Fred Kilner are at Tahoe City greeting friends after several months at Laguna Beach.

Bill Poulter of West Sacramento sent a note that they are returning to Tahoma.

NOTICE TO BIDDERS

NOTICE IS HERBY GIVEN that sealed bids will be received by the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before, and no later than 8:00 P. M. on the 10th day of June, 1958, for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

No bid will be considered unless it is made up on a form provided by the Owner and accompanied by a certified check, cashier's check, or bidder's bond in the amount of One Hundred ($100.00) Dollars made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with price for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

New Health Officials In Placer Are Named

AUBURN—Dr. Richard F. White, director of the Placer County HealthDepartment, announces the appointment of a new sanitarian and public health nurse.

The sanitarian, Fred Lagier, who now resides in Auburn was previously employed in public health work in Sacramento County. He is a graduate of the University of California at Berkeley.

The newly appointed public health nurse is Mrs. Lila Sasaki who is a native of Placer County, now residing in Loomis. She attended Placer Joint Union High School and Stanford University and was previously employed with the San Luis Obispo County Health department.

The Phoenicians are credited with having invented the fishing net.

State Treasurer A. Ronald Button

RONALD BUTTON IS SAVING MONEY AS STATE'S TREASURER

State Treasurer A Ronald Button is applying profitably that old axiom that a penny saved is a penny earned, only he's dealing in millions of dollars instead of pennies.

Faced with the tremendous responsibility of selling California state bonds in totals running into hundreds of millions of dollars, Button realized that a mere fraction of a percentage point in interest rate could mean a great saving to the state, and to each of its residents.

Last October, for example, Button sold an $85,000,000 block of veterans and school bonds at an interest rate averaging 3.65 per cent. On April 23, he entered the market with an additional $100,000,000 of these bonds. This time the interest rate was 2.96 per cent. The savings in interest charges that will be paid throughout the life of those bonds will be more than $10,000,000.

Button has utilized two methods of broadening the market base for California bonds, both of them new in the field of government financing, although used widely by private business.

First, Button began the practice of issuing complete statements on the financial structure of the state and its growing economy. These outlines describe the economic growth of the state and its increasing industrialization, demonstrating that the state's credit is good as gold. These statements have been distributed to some 2000 of the largest investment houses in the country.

Then Button backed up the written approach with a personal sales campaign, unique in government financial history. He makes special trips east to contact in person the executives of banks, underwriting houses, investment firms and insurance companies.

Through this combinaton of the personal approach and the written proof he has brought new interest in California securities, and beyond doubt was a factor in the easier sale of state bonds with the consequent savings to California taxpayers.

Button has proved himself a strong man in an important office. His initiative and modern thinking are bringing benefits to every resident of the state.

The Canal Zone extends five miles on either side of the axis of the Panama Canal.

San Francisco's Hetch Hetchy System has a book value of about $135 millin.

TO THE VOTERS OF NEVADA COUNTY

I am indeed sorry that I can not visit each one of you during this Campaign period, therefore I take this means of giving you some of the back ground in my life that will assure you of my qualifications for the office of County Public Administrator.

As the office requires the administrating of Estates left by persons without relatives or out of State beneficiaries, proper burial for those without families, etc., Work requires knowledge of Bookkeeping, letter writing and banking proceedures. The legal aspects of the work are done under the direction of an attorney and the holder of the office is required to extend sympathy and understanding in addition to accurate and efficient work. A graduate of Armstrongs Business College in Grass Valley, where I have resided 38 years, Iwas employed by the Telephone Co. for 20 years, with 17 years as a Chief Operator. This entailed supervision of many employees, payroll and traffic load reports. Two years in Oakland with U.S. Air Force 4th Fighter Command.

Three years executive secretary of the Nevada County TB Assn.

A member of the Grass Valley City Planning Commission 1939-1940 and serving again on this commission. A Sharter member of the Grass Valley Business and Professional Women's Club, A Past President of the group and served as Northern District President when the district comprised twenty counties. A property owner and tax payer for twenty years.

Having been screened for qualication by the Grass Valley and Nevada City Business and Professional Women's Clubs and receiving their endorsement, this assures you the Voters that I am fully qualified and capable of doing the job required by law. The necessary time required will be personally given to each case received with integrity and loyalty. Your Vote on June 3rd will be greatly appreciated.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

SPRING AND MEASLES BREAKING OUT TOGETHER

Those spots that you see might not be from the lovely spring sunshine or from the insect bites you might get from your gardening because along with our beautiful spring weather measles seem to be in season with many adults in the area down with them. Don't scoff they may be only for the children but its no joke for an adult.

ACOLYTES JOURNEY TO SACRAMENTO

Nine of the acolytes of the St. Nicholas Mission in Tahoe City accompanied by Charles Beardsley attended the spring Acolyte festival of the Diocese at the Trinity Cathedral in Sacramento. Several ladies of the church got together and made the extra robes needed so that the boys might attend, since there were about 18 pieces contained in the garments it took a lot of time and effort. The ladies were: Mrs. Neilson, Mrs. Stowe, Mrs. Mendenhall, Mrs. Keehn, Mrs. Hoff, Mrs. Al Henry and Mrs. Moe. The young boys were rather awe struck at the size and beauty of the Cathedral in contrast to our small and rather rustic church in the woods, (but whether grand or rustic they both serve equally as a place of worship.) Our boys did very well at the convention and deserve the praise of parents and congregation for their fine showing. Those present were: Scotty Calhoun, Eddie and Tommy Hoff, Chris Poulsen, Mike Keehn, Kenny and James Kimball, David Hampton and Roger Michener.

DON'T FORGET

Work day is this Saturday the 24th of May and you are needed. Don't leave it to the other fellow because you have too much to do or because its your day off and your going fishing. You can still get your fishing in if you get down to the commons early with a rake a shovel and some good old fashion energy. Bring the whole family and a picnic lunch and we can have a beach area to be proud of.

IN HOSPITAL

Barbara Keehn is in Washoe Medical Center for observation of an eye injury which was caused by a misguided ice cube. A group of teen-agers on a picnic were having fun after lunch by sticking ice cubes down each others backs and then some one started throwing them with the result of an ice cube hitting Barbara's ye. This is no critisism of teen-agers either because I'm sure all of us can remember doing something just as silly and dangerous. Its just a reminder that sometimes its better to stop and think if the thing we are doing is fun or not can be dangerous or injurious to our friends. I'm sure all you kids had a real good time swimming and picnicing until the accident so next time eat the ice cubes instead of throwing them.

SHRINE BUFFET AND DANCE SUCCESS

Many of the Tahoe City people turned out for the Shrine Buffet and dance at the Crystal Bay Club last Saturday and seemed to have a real good time. The funds from this are used to send the children to the Shrine Circus held in the spring in Reno. Seen among the crowds were: the Warren Porters, Alan Calhouns, Leanord Burys, Jim Brehlers, Bob Beckmans the DeWalts, Bob Hughes and Gus Gehlert.

PAT FOX ENTERS PEGGY IN SHOW

Pat Fox entered her horse Peggy in the 4H Horse Show at Horseman's Park in Reno this past weekend and although she didn't win any prizes, Peggy made an exceptionally fine showing as this was her first show. She was entered in the Ladies Western Class and in several Reigning Races. Pat commented on the many outstanding riders and beautiful horses that were shown and thought the show by the 4H youngsters for the adults was well handled.

HEAD OF THE HOUSE

One of the statements made by Father McClary at the Mission that I felt very well worth remembering and would like to pass on to you thatweren't present was a comment on family unity. "The father is the head of the house the Mother the heart and the children the members."

The mariposa lily, which attains a height of about four inches, grows in gravelly or rocky soil.

About 80 per cent of the population of Pakistan depends on the land for its livelihood.

TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1958 to June 30, 1959 has been adopted by the Board of Fire commissioners of the Truckee Fire District, said Budget being as follows:

Maintenance and Operation	$5562.00
Capital Outlay	$3000.00
Wages	$ 390.00
TOTAL	$8952.00

Said budget is available at the office of Truckee Mercantile, Earl Stice, Secretary-Treasurer, Truckee, Nevada County, California, for inspection by interested tax payers.

The fire Commission of the Truckee Fire District will meet at the office of Truckee Marcantile, Truckee, Nevada County, California, at 10:00 A.M. on June 12, 1958 for the purpose of fixing final budget for the District. At that time and place any interested taxpayer may appear and be heard in regard of the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

KEYS TO BETTER CALLING — how we improve service and keep your out-of-town calls low in cost

Today, your long distance calls can go through in seconds where it once took minutes. Why? In most cases, operators like those in the top picture speed your out-of-town calls straight through with push-button dialing. Or perhaps you live in a place where you dial them direct yourself. And today's fast long distance phoning is yours at low cost, too. We've made it that way with radio-relay and cable networks that carry thousands of calls at once. With tiny transistors that cut down space and power needs. These improvements have helped us make long distance phoning a pleasure anytime. A pleasure, as the box at the right shows, that's priced right for everybody.

BEAUTIFUL WEATHER

Sunday and it's delightful. Lots of fisherman on the lake and some good fishing, too.

OPENING

Steve Riolo is up preparing to open the Inn for the summer.

The Crystal Bay is getting busier by the day. The club is still doing a big business with the chicken dinners on Sundays, and the Biltmore is coming along fast now and looks as though it will be in shape to open in early summer

The North Shore Club will open on the 13th of June.

Sure is nice to have the Mt. Rose road open.

NEW DEPUTIES

Howard Carnell of Tahoe City is a new deputy sheriff of Placer County. Also Jim Baker of Tahoe City has joined the force.

VISITORS

Davey Ashton was up over the weekend from San Diego where he is with the Navy. Boy, he hated to go back.

Mrs. Snow and Mrs. Healey paid us a visit. Mrs. Snow just sold her home on the short cut after 17 years and says she will miss the Lake.

Benita Jones mother of Mrs. H. R. Western of Caro Mighigan, arrived by car for a few weeks visit. Benita is with the Cal-Neva Lodge and has a new home on the Brockway Hill.

CAL-NEVA

Cal-Neva Lodge opens up on Friday May 29th. This is somewhat earlier this year for this beauty spot. Mr. Grober will be happy to greet you.

BROTHERS

Jack is back with his brother, Joe Ross, at the Trade Winds in Kings Beach. Talk about Chinese food, its wonderful.

NEW SHOP

The Plevalls are building on to their new home on the highway. I understand too that they are about to open a donut shop at the same spot good, huh.

PAINTING

Saw Dennis Sach at the Crystal Bay. He is giving the Crystal Bay a paint job. I hear he is just back from a good vacation.

Ella Blake and son Lloyd are up. Lloyd is busy painting the home.

The Ray Bergmans are in their brand new and beautiful home just west of the Nevada state line on highway 28.

BAKE SALE

The W.S.C.S. of the Kings Beach Community Church will hold a bake sale at the Stop Shop Market in Kings Beach on Saturday, May 24. Among the items to be offered will be New England baked beans, delicious lemon cream pies, lovely salads, cakes and cookies, all home cooked by the good cooks of this community. We hope all our friends will turn up and be able to purchase some of these goodies for the week end. Remember the date and place—Saturday, May 24, at the Stop Shop Market.

CHURCH NEWS

On Sunday, May 18, the Kings Beach Community Church held its Every Member Canvass with gratifying results. The committee in charge were pleased indeed with the response of the community to the work the church is doing, especially for the young people. The support of all is solicited to enable the church to continue the many projects necessary for the growth of this area.

The most heavily timbered National Forest in the United States is the Willamette in Oregon.

TRUCKEE BIBLE CHURCH

Pastor Rhoades returned Wednesday evening from the three day staff missionary conference at Huntington, Oregon. Student missionary council is anticipating a fruitful year of summer work with over thirty-five young men and women of seminaries and Bible institutes all over the U. S. and Canada. They will work in churches of many denominations teaching Bible Schools and holding youth meetings in some areas where there is no organized church.

At the eleven d'clock worship service Pastor Rhoades will conclude the series on prophecy.

Christian Cinema got off to a thrilling but hampered beginning last Sunday. Our head projecter man Dusty Rhoades, was hurt Saturday afternoon in an accident on his bike. We are grateful that it was not serious and the film was shown. Won't you join us this Sunday evening at 7:00 p.m. for a parable with a modern trend. "Another Spring".

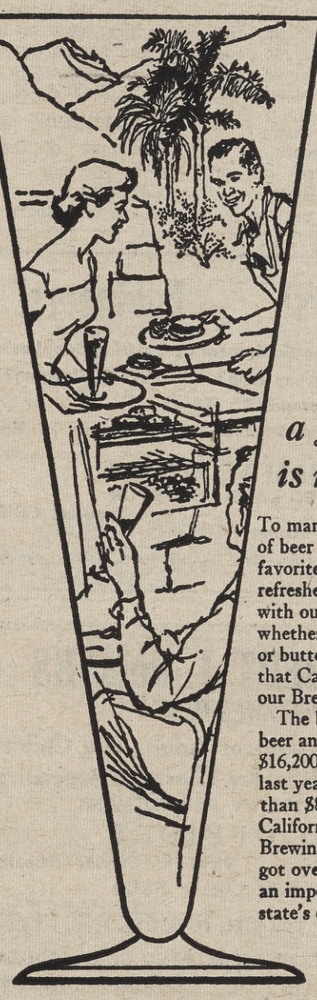
To California



a glass of beer is many things

To many Californians, a glass of beer stands for their favorite beverage, a cool refresher—especially enjoyable with outdoor living. But whether you like beer, ice tea, or buttermilk, the fact remains that California benefits from our Brewing Industry.

The brewers and sellers of beer and ale paid over $16,200,000 in California taxes last year. Add this to the more than $87 million paid to Californians employed by the Brewing Industry and you've got over 100 million dollars—an important element in our state's economy.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL

KINDERGARTEN: Mrs. Jean Manetta, of Truckee, was our teacher this week.

FIRST GRADE: This week, we had a spelling "Bee"—boys against the girls. The boys who stayed up the whole time were: Tommy Barnum, Denis North, Gregg Gunkel, Philip Goodrich and Charles Weber. The girls who stayed up were: Sandra Martin, Sharon Brooks, Cathy McIntire and Candy Ehlers.

SECOND AND THIRD GRADES: We are happy to have Cathy Murray return to our room. Cathy was in Lakeview, Oregon. Eighteen second graders received 100 per cent in their final test this week.

THIRD AND FOURTH GRADES: Linda Bonney, Rondi Thorwaldsen, Carol Lee Gorbin, Susan Clackett, and Cathy Rockholm made very interesting peep shows during our social studies unit on California missions.

FIFTH AND SIXTH GRADES: Baseball season is now open. The entire school aided in raking the school grounds to fix up our ball fields.

We welcome back Janet Mallory who attended here last fall.

The Student Body Council of the Kings Beach School met twice to make the final plans for the fourth, fifth and sixth grade dance this Friday, May 16. The refreshment committee consists of, Phil Thompson, Windy Boatman and Kenny Plevens.

TAHOE LAKE SCHOOL

KINDERGARTEN: Stars this week went to the following kindergarten students who successfully wrote their numbers to 80: Lisa Beckman, Leslie McBride, Jeannie Albin, Christina Keehn, Dorothy Pomin, Mark Wuthmann, Laura Jean Hoxsie, Debra Stark, Colleen Howard, Sally Starratt, Sharon Christensen, Jeanne Jones, Sandy Poulsen, Becky Yeager, Sands Hall, Melinda Bechdolt, Mimi Kimball, Dan Dempsey and Debbie Rich.

FIRST AND SECOND GRADE: In second grade this week we have been working very hard on our spelling work books so that we can take review tests in the next two weeks. Those who made 100 per cent this week were: Karin Meixner, Karen Hartley, Tommy Carnell, Tommy Hoff, George Speeter, Mike Burmer, Mike Dempsey, Jim Caulkett, Gary Albin, Bro Shontz and Erik Henrikson.

We have new girl in Second Grade. She is Karen Hartley and is from Carmichael.

THIRD GRADE: The third grade high scores in their first test in division. Division is more fun anyway because it has little houses to work in.

During literature time both grades studied the meaning of fables, legends and myths. The Golden Fleece was read and the entire class illustrated the fabulous conquest of the dragon. Some of the dragons were fire spitters, but the cutest of all, that is for a dragon, was that of Denise Henrikson whose beast had long eyelashes.

FOURTH GRADE: The following children received "A's" in the weekly social study test: Paul Cincotta, Pat Dempsey, Dick Nielsen, Jackie Obexer, Lance Poulsen, Donald Stowe, Joyce Anderson, Cathy Conners, Alex Cushing, Karen McBride, Kristin Meixner and Susan Wright.

Spell-down champs for the week were Kristin Meixner, Alex Cushing, Cathy Conners, Jeff McLane, and Karen McBride.

FIFTH AND SIXTH GRADES: A boxing tournament was held for the local Rotary club last Tuesday. The class is going on an overnight hike this coming Sat.

TRUCKEE ELEMENTARY SCHOOL

KINDERGARTEN: Our big news of the week is our setting hen. We have two baby chicks out, with two eggs cracked.

The Truckee Elementary School staff honored Dee Osborn, Kindergarten teacher, at a surprise baby shower Monday afternoon, May 19. The occasion celebrated the arrival of the first few chicks from Mrs. Osborn's hen eggs. Present at the affair were the honoree, Mrs. Osborn and Mrs. G. Butterfield, Mrs. C. Camp, Mrs. E. Trask, J. Stever, Mrs. Tiffee, Mrs. R. Roth, Mrs. J. Roberson, Mrs. Patnoude, Mrs. Wright, Mrs. Frey, Mr. Tischer Mr. and Mrs. Sauby.

We welcomed Kathryn Campbell this week. She has moved to Truckee with her parents, Mr. and Mrs. Bernard Campbell. They formerly lived in Sacramento.

THIRD GRADE: Our new President is Kathryn Braasch, and our Vice-President is Jack Melugin.

We have a new member of the class. Dee Ann Collings comes from Marysville.

Beverley Holleman deserves praise for correctly spelling seven especially difficult words, in addition to the regular test.

Star spellers are Andrea Barker, Jack Melugin, Tim McLane, Eileen Olson, Gail Englehart, Kathryn Braasch, Rhonda Manley, Donald Whiteneck, Susie Olano, Lucille Knauss, Bill Waters and Dennis Richards.

FOURTH GRADE: This week the fourth grade did a rather easy, dull week in terms of activity. The most exciting event was the digging and selling of angleworms by the following pupils: Hintz, Douglas and Wilson. Doug Nelson, Ricky Ralphs, Charles Trainor all brought in rock specimens of various minerals.

FIFTH GRADE: We are glad to welcome Kiethette Morton and Roger Young to our class.

Last Friday we finished our social studies. Those pupils that gave the reports were Linda Banyard, Greg York, David Sorani, Steve Davis, Wade Mosby, Dennis Douglas, Eddie King, Mike Sauby, Curtis Funk, Lynn Quartly and Sara Van Sickle.

SIXTH GRADE: Another new pupil arrived this week. He is Billy Young from Shasta County. There is now a total of 35 pupils.

Members of the class are making a chart showing many kinds of textiles.

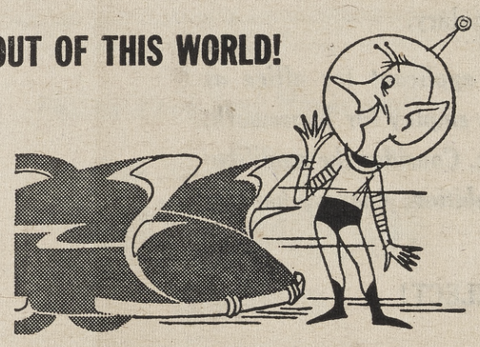
OUT OF THIS WORLD!



THE NEW EARTHMOBILES are really *something!* So if your present vehicle is tired and run down, and you're weary of watching sharp new models cruise by, now's the time to buy a *new* car. It'll be easier than you think, too . . . with Bank of America Timeplan Auto Financing, which is both easy to obtain and easy on the budget. It isn't even necessary that you call at the bank. You can get full details and make all arrangements with your authorized Timeplan auto dealer.

UP ON CURRENT AFFAIRS?

HOW SAFE is *your* home wiring? Was it designed to handle the heavy load that modern appliances put on your circuits? Just as a precaution, ask a Timeplan contractor to inspect your home wiring. Then, if work is needed, he can easily arrange an *economical* Bank of America Timeplan Home Improvement Loan to cover the job for you. And remember: re-wiring is just *one* of the many improvements and repairs you can finance through Timeplan.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular Meeting May 1, 1958
Present: John T. Trauner, Clerk
Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order by the Chairman of the Board at 10:00 A. M. and all members of the Board were noted as present.

The minutes of the meeting of April 17th were read to the Board by the Clerk, and upon a motion made by Supervisor Bishop, duly seconded and passed unanimously, the minutes were approved as read.

A motion was made by Supervisor Robinson, duly seconded and passed unanimously, directing the Clerk to publish the proceedings of the Board in the Sierra Sun for the month of May, 1958.

At the request of the County Auditor, and upon a motion made by Supervisor Robinson, duly seconded, the Auditor was directed to cancel warrant number 373 drawn on the Special Road Improvement Fund. Upon a roll call ballot a unanimous vote was recorded.

The County Tax Collector appeared before the Board and requested permission to conduct a tax sale on a piece of property in the Lakeview Subdivision on Donner Lake. A motion was made by Supervisor Bishop, duly seconded and passed unanimously, authorizing the Tax Collector to conduct a sale.

Mr. William Tamblyn, a representative of the State Controller's office, appeared before the Board and requested the Board to cancel certain tax deeds found to be erroneously deeded to the State of California. After a short discussion the matter was deferred.

Mrs. Margery Worth, Welfare Director, appeared before the Board and rendered the report of the Welfare Department for the month of April, 1958. A motion was made, duly seconded and passed unanimously, approving the report and ordering it filed.

The Welfare Director then requested the re-classification of a Steno Clerk I to a classification of Steno Clerk II. The matter was discussed and finally deferred for further study.

A discussion was held with the County Clerk relative to the printing of election notices as required by Section 668 of the Elections Code. A motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to publish the precinct lists of the First and Third Supervisorial Districts in the Nevada City Nugget; the Second and Fourth Supervisorial Districts in the Grass Valley Union; and the Fifth Supervisorial District in the Sierra Sun, in accordance with Section 6066 of the Government Code.

Mr. Joseph Day, Sr., appeared before the Board and presented the Board with petitions relative to the Oakland School District annexation and the matter was deferred until 2:00 P. M.

At the request of the County Clerk, a motion was made by Supervisor Bishop, duly seconded to adopt Resolution No. 58-12 fixing the amount of bonds for the County officers. Upon a roll call ballot a unanimous vote was recorded.

At the request of the County Clerk, upon a motion made by Supervisor Bishop, duly seconded, Resolution No. 58-13 was adopted. Said resolution created a Canvassing Board to canvass the Absentee Ballots for the June Primary. Upon a roll call ballot a unanimous vote was recorded.

After a disscussion with the County Clerk, a motion was made by Supervisor Smart, duly seconded and passed unanimously, setting the sum of $18.00 a day for the pay of Inspectors of all primary election precincts, and $15.00 a day for all other precinct workers for the June 3rd Primary.

The Board scrutinized the claims presented by the County Auditor, and allowed the following for payment:

General Fund	$14,971.44
Salary Fund	58,677.30
Special Road Dept. Fund	16,444.46
Welfare Fund	3,579.62
Welfare Assistance Fund	82,437.66
Hospital Fund	10,390.40
Veterans Buliding Fund	1,344.45
Promotional Fund	7.36
Special Aviation Fund	194.97

At the time the Board adjourned for lunch to reconvene at 1:30 P. M.

AFTERNOON SESSION

The Board reconvened at 1:30 P. M. and all members of the Board were noted as present.

The Deputy District Attorney Mr. Cassettari, presented Resolution No. 58-15 to the Board, and it was read in its entirety to the Board by the Clerk. A motion was made by Supervisor Smart, duly seconded, to adopt Resolution No. 58-15 (a resolution declaring the Truckee-Tahoe Airport District formed and established) and upon a roll call ballot a uninomus vote was recorded.

A motion was made by Supervisor Robinson, duly seconded and passed unanimously, authorizing the attendance of the Suuperintendent of the County Hospital at a conference in Willows on May 14th. The expenses incurred therein are to be deemed a proper county charge.

A motion was made by Supervisor Smart, duly seconded and passed unanimously, appointing each member of the present County Planning Commission as a member of the Airport Zoning Commission effective May 1st, 1958.

A motion was made by Supervisor Smart, duly seconded and passed unanimously, appointing Mr. Myron Runyan as a member of the County Planning Commission for a four year term, commencing May 1, 1958.

An order was read to the Board by the Clerk from the Superior Court of the County of Nevada fixing the amount of $5,000.00 as the official bond for the members of the Board who will be elected at the Primary Election.

This being the time heretofore set for a public hearing on a proposal of uniting the Nevada City Elementary School and the Oakland Elementary School, Mr. Denis Christin, County Superintendent of Schools, appeared before the Board and acted as spokesman. Mr. Christin gave a resume of the proceedings of the unification or annexation up to the present time.

A lengthy discussion was had by the members of the audience present and with Mr. Christin and some members of the Board. The County Superintendent of Schools then read Resolution No. 58-16 to the Board and to the members of the audience. A further discussion ensued and a motion mas made by Supervisor Smart, seconded by Supervisor Bishop ,to adopt Resolution No. 58-16 (annexing the Oakland Elementary School to the Nevada City Elementary School District). Upon a roll call ballot the following vote was recorded:

Supervisor First District	aye
Supervisor Second District	aye
Supervisor Third District	no
Supervisor Fourth District	aye
Supervisor Fifth District	aye

Mr. Dale Smith, a member of the Board of Trade, appeared before the Board and entered into a discussion on the possibility of entering an exhibit at the Pomona Fair in the County of Los Angeles. A discussion by the Board ensued and it was decided that the Board would be in favor of participating, but the matter was deferred pending further study.

Mr. Robert K. Graham, County Road Commissioner, appeared before the Board and recommended the Board adopt Resolution No. 58-17 (a Right-of-Way certification) The resolution was read in its entirety to the Board by the Clerk, and upon a motion made by Supervisor Robinson, duly seconded, it was adopted on a unanimous roll call ballot.

The Chairman announced that the next meeting of the Board would be May 15, 1958.

A discussion was held with the Road Commissioner relative to grading the road of the Twin Cities School. A motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Road Commissioner authorizing him to grade the road at the Twin Cities School at a cost not to exceed $250.00.

Mr. Wayne Mulch appeared before the Board and requested consideration relative to taking the the road called Wheeler Road into the County Road System. After a discussion the matter was deferred until budget session.

Mr. Downey Clinch appeared before the Board and requested that the Board give consideration for dust coating the Loma Rica Airstrip by July 4th, 1958. Mr. Clinch stated that promotional groups in the county were endeavoring to have a July 4th "Fly-In", and the present dusty condition of the strip was not conducive to such an endeavor. After a discussion the matter was deferred.

Mr. Clare Hughes appeared before the Board with bids on a Detention fence at the Juvenile Hall. Bids were read from the Harris Fence Company, Anchor Post and Fence Company, and Realock Fence Company. After a discussion a motion was made by Supervisor Smart, duly seconded and passed unanimously, awarding the bid to the lowest bidder.

Fuel Oil Bids were received by the Purchasing Agent and read to the Board in their entirety. A motion was made by Supervisor Robinson, duly seconded and passed unanimously, awarding the bid to the lowest bidder.

A motion was made by Supervisor Smart, duly seconded and passed unanimously, authorizing the bid of $513.30 for a concrete floor in the Veterans' Memorial Building in Nevada City.

A discussion was held with the Purchasing Agent and the Board relative to the installation of a fire door in the Veterans' Memorial Building in Nevada City. It appearing to the satisfaction of the Board that the low bid was the sum of $190.00, and a motion was made by Supervisor Smart, duly seconded, and passed unanimously, awarding the bid to Medlyn Sheet Metal Company in the amount of $190.00.

A discussion was held on the remodeling work required by the Welfare Department on the second floor of the Courthouse, and a motion was made by Supervisor Smart, duly seconded, to transfer the sum of $1,000.00 from Unappropriated Reserves to Courthouse Budget Capital Outlay, Remodeling. Upon a roll call ballot a unanimous vote was recorded.

At the request of the County Assessor, and upon a motion made by Supervisor Smart, duly seconded and passed unanimously, the Auditor was directed to cancel certain assessments that were erroneuosly assessed.

Mr. William Tamblyn, a representative of the State Controller's office, again appeared before the Board and requested that certain deeds be cancelled to unpatented mining claims erroneously assessed and various other deeds that were erroneously issued to the State of California. A discussion was held and a motion made by Supervisor Loehr, duly seconded and passed unanimously, directing the Recorder to cancel those deeds.

A letter was read to the Board from the Superintendent of Schools requesting permission to use county election booths and ballot boxes for the school elections on May 20th. Permission was granted.

A discussion was held by the Purchasing Agent relative to the painting and repairing of light fixtures in rooms vacated by the Superintendent of Schools. A motion was made by Supervisor Smart duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Custodian of the building to redecorate and repair the light fixtures in those rooms vacated by the Superintendent of Schools, which are to be used immediately by the Welfare Department in accordance with bids received by the Purchasing Agent.

There being no further business to come before the Board at this time a motion was made, duly seconded, and passed unanimously to adjourn to meet again on May 15th, 1958, at 10:00 A. M. thereof.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS) — California's costly and burdensome load on the taxpayers, the California State Fair and Exposition, has suffered another setback.

When the California legislature acquired a brand new fair site off the North Sacramento freeway several years ago, the members still refused to vote money for developing the site, outside of some funds termed as "small change" for site development.

But during the 1957 session, the legislators relented, and made possible the financing of the fair through the sale of bonds to construct the necessary buildings and improvements for moving the fair from its present location on Stockton Boulevard.

The board of directors of the California State Fair and Exposition happily went to work, and indicated that the new fair would be open for the 1960 exposition.

Subsequent study by a firm versed in the sale of bonds, however, indicated the bonds would not be such a good buy, for the simple reason that the fair hasn't paid for itself in many years, despite the high prices charged for entry fees and by the concessions.

So at its last meeting, the board of directors moved to set the opening date of the new fair ahead another year, this time to the fall of 1961. The board also wants to stage some kind of a 30-day celebration prior to the opening of the exposition in 1961 to celebrate the event.

The fair directors may recall one of the most successful celebrations ever held in the Capital City. This was in the early 1920's when the community went overboard on the "Whiskerino" show. For weeks, the male population of Sacramento eschewed the razor, the female population dug deep into old trunks to resurrect the old-time bustles and Mother Hubbards worn by their great grand-parents.

The show tickled the fancy of the entire nation, minor shows were held in various communities of the valleys on the same theme, and the smooth-shaven man was subjected to the rigors of a kangaroo court.

While this show was successful, it probably will not be repeated. The weather's too hot for whiskers during the months when such celebrations are held, and it is doubtful if the fashions of the 1840's would find much favor among the feminine contingent. And in addition, the state has grown up during the past 40 years, and now is turning its sights on a "space age" show.

But whatever the fair decides upon, it can be almost certain that more state funds than usual will be required to finance the operation. For many years, the fair has been going into the hole between a half and a million dollars a year, and from the studies made, there is no indication this pattern will be changed.

Fair officials, of course, contend that a move to a new site will pave the way for breaking even, but actually, when the capital investment is taken into consideration, the exposition still will be a burden on the taxpayers.

San Francisco's scenic 49-mile drive is marked by 180 blue, white and orange signs, with a seagull device.

Special Awards For Local Students

The student council at Tahoe Truckee High School has recently set up and approved a number of new awards for outstanding students Principal William Scuitto announced. Most important of these will be the annual pin award to those students who make the highly coveted honor roll three successive quarters each year.

The specially designed honor roll pins will be awarded to the students at the second annual awards assembly to be held at the high school on the final day of school, Friday, June 6, starting at 11 a.m. All parents and friends are cordially invited to attend this asembly, at which time all scholarships, athletic and special awards will be presented.

Included among these are the scholarships given by the Tahoe Truckee Educational Association, the Ray Sorensen Memorial Scholarship by the Lake Tahoe Lions Club, and the two educational scholarships given by the High School P.T.A., and the Dick Little Memorial award for the Outstanding Athletic, Scuitto said.

The council has, along with the honor roll award, established a special block letter award for the band, a pin award for senior chorus, a new minor sport block award for wrestling, and a special block award for girl members of the ski team.

The following list of students will receive the honor award this year in recognition of their outstanding scholastic achievements: Dean Beyer, Richard Decker, Sheila Fanger, Barry Graton, Janice Gray, Berger Nelson, Dennis Schlumpf, Don Van Hooser and Jo Ann Wray.

Juniors: Dorothea Frey, Bernice Plemons, Luisa Sciutto, Nancy Watts and Bob Williams.

Sophomores: Stephen Ayala, Judy Collins, Carol Bailey, Richard Brown, Judy Fanger, Larry Jellin, Linda Morrell, Lynwood Ribal, Larry Rolison and Mitchel Terkildsen.

Freshman: Joan Brown, Varien Frey, Trent Giannini, Marilyn Plevel, Jo Ann Pomin and Cynthia Reynolds.

8th Grade: Pat Collins, Francie McGwinn, Chris Foeger, Virginia Glass, Dana Hamilton and Karen Smart.

7th Grade: Alan English, Marshall Forrester and Vicki Rich.

SPEAKER TO ADDRESS LOCAL MEET MAY 27

The Truckee Nursey School has obtained Mrs. Harry Lambrecht of Reno to talk on the subject "Parents Need Reassurance, Too, Do You?" Tuesday, May 27 at 8 o'clock in the high school edifice.

Mrs. J. P. Vind, co-chairman for the organization said that all interested persons are invited to join the group.

The speaker who has been a teacher on adult education at Berkley and Reno later will hold open discussion on various problems of parents and children.

Mesdames Ross and Penrose, both of Reno who have been associated with cooperative nursery schools will accompany Mrs. Lambrecht.

LOCAL DRIVE WILL AID NEW SEMINARY

Father Patrick O'Neill of Assumption Parish has formed committees with the assistance of the parish chairman and vice chairmen to take part in the plans for a $2,500,000 fund appeal, to begin Sunday May 25 to raise money for the erection of a permanant diocesan junior seminary at Galt for the education and training of future priests.

William Bechdolt of Tahoe City who was named chairman, William Conners, vice chairman of Tahoe City, Conrad Wainscoat, vice chairman of Kings Beach area and Edward Androus, vice chairman of the Truckee section of the Parish are active in the work.

The Most Rev. Joseph T. McGucken, Catholic bishop of Sacramento, said the diocese of Sacramento has experienced its greatest growth since the days of the gold rush in recent years and "also suffers a shortage of priests more acute than in most parts of the United States."

All the parishes of the diocese will form committees to carry out solicitations for funds. There are 84 parishes and 71 missions in the diocese.

To Gridley—
Mr. and Mrs. Steve Kolos are leaving to make their home at Gridley where he is employed.

In Hospital—
Mrs. Jerry Little of Kings Beach, Mrs. Maria Russell, Mrs. Vera Rivera and Ted Franklin are local patients of Tahoe Forest Hospital this week.

Visit Here—
Mr. and Mrs. Arthur Lindauer of Santa Rosa are vacationing briefly at their Donner Lake home. Mr. and Mrs. Carl Smith, former Truckee residents, now also of Santa Rosa were Lindauer house guests during the weekend.

H & L SPEEDWAY AT BEACH OPENS SOON

KINGS BEACH — The H & L Speedway at Kings Beach will open for the season May 30th.

This is not to be confused with the Indianapolis Speedway but for the youngsters of the community it will provide more fun.

Mrs. Sophia Levra, one of the operators of the novel track, reports half a dozen ¼ midget cars have been received and are ready to start their greuling races over the track, located across the street from the Kings Beach Laundromat.

The cars are for small youngsters from four or five up to 12 or 14 years of age, depending upon their size. The cars operate similiar to a real auto and children will have a lot of fun on the miniature track.

Mrs. Rose Hostess—
Mrs. Zeph Rose was hostess Monday evening to a group of friends in her home at Gateway Park. Cards was the evening's diversion, refreshments served at the close of the pleasant affair.

Here For Summer—
P. Zydner came from Bakersfield to spend the summer here.

Happy Day—
Roxie Archie observed her birth date May 15th.

LOCAL STRUCTURES TO BE SOLD BY STATE

The division of highways announced this week they will sell three state-owned improvements in the Truckee area at a public auction to be held at 11 a. m. on May 23.

The improvements are located on right of way to be used for state highway purposes and must be moved prior to June 30 of this year. The sale will start at the former Quilici property on Keiser Avenue.

A miniumum bid of $25 has been established for a garage and woodshed located on the west end of Keiser Avenue in Truckee and $5 is being asked as a starting bid for a pump house at the Truckee Wye. A minimum bid of $200 is being asked for the former Chase Harper residence and allied dwelling located on State Sign Route 89 approximately 6.6 miles south of Truckee.

The terms of the sale call for the bid price to be paid in cash at the time of sale. Cashiers or certified checks will be accepted, but personal checks will not. If the bid price is over $100 a deposit of that amount will be accepted with the balance payable in 10 days.
